

Weekly Update
13th November 2020-2021

Dear Parents and Carers

Currently we have a number of staff self-isolating due to contact via test and trace. We anticipate this will continue. We are monitoring isolation periods and should it become apparent that we are unable to meet student need we will inform parents and carers via text.

Similarly, we have students self-isolating and we thank you all for following the guidance. Can I ask that any absences are reported to college as soon as possible. This reduces the time taken following up, but also allows us to respond quickly should we need to make further steps to keep others safe.

In other news, Camphill had a two day, virtual Ofsted visit this week. The visit was focussed on our response to the Covid-19 pandemic. We will let you know when the official report is published.

Have a quiet & safe weekend.

Jennie
