

Parent and Carer Update
12th February 2021

Dear Parents and Carers

We've reached half term, thankfully with minimal weather disruption. Thank you to you all for your continued support whether that is supporting students to attend safely or working with students at home and keeping them safe.

For those students at home we now have a student portal. Everyone who has provided an email contact has been emailed information of how to access this using student log in details. The portal lists work for students to complete, but also provides the opportunity to upload completed work for us to see and monitor progress against outcomes. Thank you to all those that have sent in photos and work. Engagement in home learning will be picked up in EHCP reviews. If you require any support in the next half term, please do let your welfare contact know during your weekly call.

Thank you to all who contributed to our appeal for St Catherine's food bank. It was a great success, so much so we've decided to keep running the appeal for the rest of the academic year. Any donations are greatly appreciated.

I hope you all have an enjoyable half term break and look forward to seeing students back on Wednesday 24th February.

Keep safe.

Jennie
