

Parent and Carer Update
19th March 2021

Dear Parents and Carers

It has been wonderful to welcome back our students who have been shielding at home and great to see them settle back into college life so well.

As a college we are looking forward to the restrictions gradually easing and have some plans we hope to put in place before the end of the college year. In the meantime we continue to work in our groups and are still getting involved in activities such as Comic Relief today, you'll be able to see what fun we've had on our Facebook page next week. Next Tuesday we will be acknowledging the National Day of Reflection, marking a year since the UK went into lockdown, with a two minute period of quiet.

Thank you for your continued support.

Jennie
