

## **Student entitlement at Camphill Wakefield**

Students are entitled to:

\*A comprehensive baseline assessment to show what you can do and where you need help. This will show your starting point at college.

\*A specialist assessment if you need help from a therapist.

\*Support to set long term & medium term team goals so you make the most of your education at Camphill and make a transition to your destination.

\*The right learning support so you can take part in every aspect of your training.

\*Regular tutorials- so you can talk to your tutor about your progress, understand how to improve and have time to talk about any worries/concerns or further plans.

\*Opportunities to improve your English and Maths (communications and calculations.)

- \*Access to real and practical learning pathways
- \*A planned and well-resourced curriculum offer that helps you gain skills and knowledge to progress to your next stage.
- \*Effective use of appropriate technology.
- \*Opportunities to develop greater independence.
- \*Extended learning if you stay in the residence.
- \*Access to the community.
- \*A work experience placement and access to employability development.
- \*Support for transition to my next destination.
- \*Support to have my voice and choices heard at my annual review.
- \*Professional standards of teaching, training and support.
